

# CTK CRUSADER CHATTER

10/28/19

Well, the rain kept us from having Trick or Trunk last Friday night, but we've rescheduled the event to Tuesday night, October 29, 2019. Please note that the times have changed just a little. Gates will still open at 6:30 p.m., but trick or treating will begin immediately. The event will end at 8:30 p.m. Flyers went home with students this past Friday with all the details. **EXCITING:** There will be no homework given on Tuesday night and no tests given on Wednesday so that everyone can enjoy Trick or Trunk. Make sure you have your prepaid wristbands on to enter or bring your \$5 to purchase a ticket.

Now, one more Halloween matter – another Halloween Accessories Day this Thursday, October 31, 2019. A flyer is being sent home today with the guidelines. Please adhere to these guidelines!

Mark your calendars! Turkey Bingo is right around the corner, Saturday, November 9, 2019. A flyer will be coming home on Tuesday with all the details. I am also attaching a flyer to the Chatter. Anyone wishing to donate prizes for the Parade of Prizes, please contact [ctkhasa@gmail.com](mailto:ctkhasa@gmail.com).

Forms went home regarding our upcoming Veterans Day Ceremony. This is such a special ceremony and our CTK family honors all who have served. Please return your form to the homeroom teacher no later than this Friday, November 1, 2019. Thank you for your support. Everyone is welcome to attend.

Students here at CTK went above and beyond to support Breast Cancer Awareness Month by donating a minimum of \$2 to dress for "Pink Out Day." A check has been sent to the Karen T. Stall Breast Cancer Research Institute in the amount of \$230. Thank you all so much. Here are a few pictures of our students all "pinked" out.

(Continued on next page)

Our PK-K students celebrated Community Helpers last week by inviting some of the special people in our community to visit and talk about their professions. Dr. Phil Hoang spent some time showing students an x-ray and explaining just what an x-ray was. The Terrytown Volunteer Department showed up in their big red fire truck and all the students had a chance to get up into the cab of the truck. Last this week, but certainly not least, Mark Perez-Sandi joined students as a representative of the United States Air Force. Here are just a few pictures:

Mrs. Terrebonne’s 6<sup>th</sup> grade reading class celebrated the end of their novel study by presenting the “Witch of Blackbird Pond” museum. Students, along with teachers, got to visit the museum during the day.

(Continued on next page)

We can't forget 50<sup>th</sup> Day. Our Kindergarten students had so much fun dressing in their 50's attire and dancing their way through the day.

Don't forget to go to our Facebook page (CTK Parish School) to see lots more pictures of things happening around CTK during the week.

Red Ribbon Week was a huge success and we want to thank Mrs. Terrebonne and Mrs. Hetzler for coordinating this fun and informative week. There will be pictures in next week's Chatter.

We received a Lego table donation for our STEM lab. Now, all we need are the Legos!!!

If you have any Legos you are willing to donate, please send them to school.

Once again, we want to encourage all of you to sign up for Shoparoo. This is a quick, free app that gives back money to CTK. Just download the app on your phone and follow the directions. If you need any help, please give Mrs. Conefry a call (504) 361-5225.

The competition is in high gear for the month of October, with 2G leading with 5,435 points, followed by 1C with 4,175 points as of Sunday, October 27, 2019.

School Food Service Employee Appreciation Week is November 4 – 8, 2019. If you happen to be visiting the cafeteria during this time, please take the time to say "Thank you" for all that they do for our students.
