

CTK CRUSADER CHATTER

9/9/19

Well, tonight's the night – the first Saints regular season game – and students, along with faculty/staff are showing their spirit today. Mrs. Conefry will be posting some pictures on Facebook a little later today, so be sure to check it out.

Now, for the news we've all been waiting for – the winners of the Men's Club Saints Ticket Raffle:

**Ms. Sandra Williams – Saints tickets
Top Homeroom (Ice Cream Party & \$25 gift card) – 7T
1st Place Seller (\$50 gift card) – Evan McNeil
2nd Place Seller (\$25 gift card) – Oliver May
3rd Place Seller (\$10 gift card) – Andrew Terrebonne**

(The three drawings for the \$20 gift cards for those whose names were entered every time a 10 pack of raffle tickets was sold will be held Tuesday night at the Men's Club meeting.)

In addition to the prizes above, 1,690 tickets were sold, so the school will get a pizza party on Field Day and the school will receive a \$500 donation from the Men's Club. Thank you all so much for participating and thanks to the Men's Club for working hard for CTK.

Thanks so much to all of you who showed up at Cane's Chicken last Wednesday to support us here at CTK. We will be receiving a check from Cane's for \$133.99. Everyone seemed to enjoy the night and, hopefully, our numbers will be even better next month. Here's one of our PK4 students – Owen McNeil – enjoying the Cane's Chicken night.

Well, we have our winners for the month of August for Shoparoo! 2G came in 1st place with 3,740 points, while 5B was close behind with 3,290 points. Students in 2G will receive extra recess time. Thanks to all parents who participated and keep up the good work.

Once again, we want to encourage all of you to sign up for Shoparoo. This is a quick, free app that gives back money to CTK. Just download the app on your phone and follow the directions. If you need any help, please give Mrs. Conefry a call (504) 361-5225.

Mrs. Trusty's art classes were busy this past week. In PK3 students learned all about the artist Mondrian and the primary colors, while creating a Mondrian line collage. The students in 6th and 7th grades worked with partners to create blind contour drawings as a start in their studies of Matisse and Picasso. They really enjoyed seeing what they created without looking!

There's nothing better than seeing our students enjoying outside time during recess and P.E.
