MISSION IN ACTION

During this difficult time our world is facing with the coronavirus, we have the opportunity to grow in our friendship with Jesus and to pray and offer sacrifices on behalf of others who are in need. We are missionaries even at home.

What can I do to as missionary at home?

Pray the Mission Rosary with your family for peace and healing in the whole world.

Clean your room and do extra things around the house to help your mom and dad or siblings.

Say the Divine Mercy Chaplet and ask the Holy Spirit to be at the bedside of someone sick or dying.

Read the Sunday Mass readings. As a family, participate in a live-streamed Sunday Mass. Click on the link to find spiritual resources for live-streamed masses and prayers: <https://adw.org/live-streamed-masses-and-prayers/>

Catholic Charities Launches Program to Help Low Income Individuals and Families Receive Economic Stimulus Check

As you know, many individuals and families (with Social Security Numbers) are receiving sizable cash payments from the IRS. The IRS cash payments are part of the Government's \$2 Trillion economic stimulus legislation. Sadly, there are many individuals and families within your parish boundaries who will not be receiving these cash payments. Why? The reason is that the IRS has no way of knowing that individuals and families with low/no income exist. Thus, the IRS does not have a mailing address or a bank account to send these cash payments.

As you will see in a Catholic Standard story (see link below), Catholic Charities has just launched a new outreach program to help low/no income individuals and families collect \$1,200/adult plus \$500/child from the IRS.

We need the help of your parishioners to spread this good news! The attached flyer can be handed out: in food pantries and grocery stores, to family/neighbors/friends and to other community service organizations.

Please distribute the flyers via email and/or your electronic church bulletin.
