

Living Christ Together...

Discovered by Joy

Dear Friend in Christ,

The Lord speaks to us in parables about the joy of finding what we've lost - a coin, a sheep - or finding what we never had - a pearl of great price. In an instant hearts are flooded with the joy of discovery.

What about the discovery of joy?

So many people today are broken-hearted and crushed in spirit. Happiness has been sucked out of their lives; they feel that they've lost it for good.

What would it be to discover joy?

It would be to find what they've been seeking, for the human heart was made for joy. And once we find it, we want to find it again.

We should hope to do so because Jesus desires that His joy may be in us and our joy may be full. Even in the midst of sadness and pain His promise holds true. We discover the joy of the Gospel over and over again. It's as if joy is looking for us and finds us when we least expect it.

In Christ Jesus,

Bishop Liam Cary
