### Power to Become

Dear Friend in Christ,

“To those who accepted him he gave power to become children of God,” the Gospel of John tells us. Power to become children of God. That’s a beautiful phrase.

We “become” because God made us in time; we live in time. We are historical beings. Becoming a child of God is not a matter of all at once or once and for all. Day by day we “become.” To become a child of God when we were 6 years old meant something a lot different than it does when we’re 60.

Whether our years are many or few, we renounce our Father when we sin. To “become” His child anew we must turn back to Him in repentance.

Each and every day is a day to become a child of God anew. And the sum total of those days is what we will present to the Father on the Last Day.

In Christ Jesus,

*Bishop Liam Cary*
