

Living Christ Together...

Mercy Right Before Our Eyes

Dear Friend in Christ,

Give a thought
to what it would have been like
to see the Lord Jesus
fresh from the tomb
that first Easter Eve.

That's what He wanted to happen.
He came *to be seen* by us.
He broke through the locked doors
of our fear and shame
to *show* us, to *have us look at*,
the marks of the nails
in His hands and feet
and the scar the lance
gouged into His side.

He came to show us His wounds.

How else can we
who have pierced Him with our sins know how much He loves us
and forgives us in return?

But even as we look at Him,
Our Risen Lord is looking back at us. He wants to see us
bring our wounds to Him
so He can pierce them through
with the healing gaze of His Mercy.
And heal them forever.

In Christ Jesus,

Bishop Liam Cary

Jesus, I trust in You
