

To the faithful parishioners of St. Mary's Church and St. Paul's Church

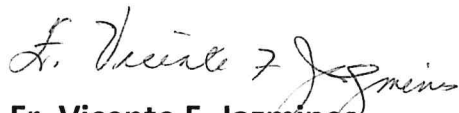

As we are now in the Easter Season, a Happy and Blessed Easter to all, as we proclaim gloriously that Our Lord and Savior Jesus Christ has risen from the dead and is now with His Father in heaven with the chant of "Alleluia."

I would like to express my sincerest gratitude to the parishioners of St. Mary and St. Paul who have been mailing their Sunday envelopes to both of these parishes. Your continued support of your parish is greatly appreciated and very much needed to meet the financial operations of both St. Mary and St. Paul. Please continue to support your parishes of St. Mary and St. Paul by mailing your weekly envelopes.

I hope and pray that all of you and your families are well and are protecting yourselves from COVID 19 by staying at home as much as possible, social distancing and wearing masks when you go out. Please continue praying, especially to the Blessed Virgin Mary, for the end of this virus with a possible cure and/or vaccine and the opening up of our economy so that people who are currently unemployed can go back to work again and our day to day living may slowly go back to normalcy again. This would also mean that our Churches will be opened again for Masses and services and you, the people of God, can start worshiping Him again in the celebration of the Eucharist.

All of you are in my prayers, especially that God will continually protect you and your families from this dreaded virus. Please keep me in your prayers as well.

God Bless.

Fr. Vicente F. Jazmines

Pastor
