THANKS FOR THE MAJESTY OF GOD

Thank You Jesus, for everything, because it is not the greatness of the works, but the greatness of the effort that will be rewarded. What is done out of love is not small, O my Jesus, for Your eyes see everything (Diary, 1310).

I want to plunge myself in thanksgiving before the Majesty of God and to continue in this prayer of thanksgiving for seven days and seven nights; and although I will outwardly carry out all my duties, my spirit will nonetheless stand continually before The Lord, and all my exercises will be imbued with the spirit of thanksgiving (Diary, 1367).

O SINGLE FLAME OF GRATITUDE

I shall steep myself in a prayer of thanksgiving. In this way I want to repay, at least in some small way, for the immensity of God's blessings (Diary, 1367).

My soul became thoroughly immersed in God, and there issued from my home and but one single flame of gratitude and thanksgiving to God (Diary, 1367).
