

ST MARY'S CATHOLIC CHURCH

Attention all Parishioners,

We are sending out this update to ensure that everyone is aware that in both Oxford and Norfolk County it is now mandatory for masks to be worn inside Public spaces.

In accordance with this new by-law, we are requiring that anyone entering the church bring and wear a mask for the duration of Mass.

The links below are from both health units and provide more information on mandatory mask wearing in public spaces:

<https://www.swpublichealth.ca/facecoverings>

<https://www.norfolkcounty.ca/news/masks-now-required-in-enclosed-public-places-in-norfolk-county/>

We thank you in advance for your co-operation and for doing your part to keep our churches as safe as possible throughout this Pandemic.

Your Parish Team
