

DRESS CODE PHILOSOPHY

Students are asked to adopt a school dress code out of respect for our community and our common educational goals. Wearing a school uniform is also a visible indicator of school pride. A uniform style of dress diminishes issues of socio-economic differences, which sometimes arise as a result of fashion. At St. James School, we want students to develop a strong sense of self-respect. St. James students are always expected to dress modestly and in a manner which allows the focus of the day to be on academics and spiritual growth. In all cases, a student's clothing should be clean, without rips or holes, and free of commercial logos, slogans, or offensive graphics/language.

Our standard dress code applies the majority of the time, and can be worn throughout the school year. An *optional* summer uniform is available during the warmer weather months. The uniform should always be clean, neat and unwrinkled. Shirts must be tucked in at all times, with the exception of our youngest learners in preschool and kindergarten. Pants and shorts must be uniform, dress style. Cargo or jean-type pants or shorts are not allowed. On each student's designated day for physical education class, the children must wear the gym uniform and sneakers. The navy blue sweatshirt with school logo is permitted on gym day only. It is NOT considered acceptable outwear on non-PE days. There are other occasions when students are asked to "dress up" or "dress down". On these occasions, the spirit of the dress code should be adhered to and clothing should always be modest and appropriate for a Catholic school.

Students must refrain from trendy hairstyles and large hair accessories. Haircuts must be neat and clean and not a distraction. Outlandish cuts, coloring of hair or designs set into the hair, etc. are not permitted. Boy's hair should be above the shirt collar and trimmed around the ears. Jewelry should be kept to a minimum. Shoes should be conservative dress shoes either lace-up or slip-on with no embellishments. Oxford style or Merrill-style shoes with rubber soles are acceptable. Sandals, boots, slippers or open-back shoes are *not* allowed.

Regular uniform checks will take place throughout the year. Parents will be contacted if a student is not following the uniform policy on any given school day. Fourth through eighth grade students who repeatedly violate the policy will serve an after school detention. When it falls upon the teachers to "police" student uniform conformity, valuable class-time is wasted. Therefore, we ask parents to evaluate children's attire as they leave for school each day.

During the academic year, we will offer one "Dress Down Day" each month. Participation in these events is optional. St. James Spirit Wear is for personal use and can be worn on Dress Down Days. It is not acceptable uniform attire. Spirit Wear is available to purchase through the St. James Parent Association (SJPA). Questions regarding Spirit Wear can be directed to the following email: sjpa@sjsst.org.

All uniform regulations and guidelines, including dress down days, are subject to the discretion of the Principal.
