AFTER SCHOOL PROGRAM

The after school program is available for parents who need safe, quality, after school care for their child. We offer two after school programs. One program is organized for children in kindergarten to grade eight. The other is offered for our preschoolers. Both operate from dismissal until 5:30 p.m.

We provide a secure environment under the supervision of trained professionals, who are assisted by college and high school aides. Program participants engage in a wide variety of indoor and outdoor activities that promote friendship, sharing, health and wellness. Faculty provide homework assistance for students who need it. A snack is provided every day.

Families with children enrolled in Preschool 4-year old program through eighth grade are eligible to enroll in After School, and must complete an After School Registration Form to join. There is a \$50 registration fee per family. Please feel free to call for additional information at (203) 375-5994.

EXTRACURRICULAR ACTIVITIES

We strive to provide opportunities for every child to explore a full range of educational and extracurricular activities. Expanding the child's world view and encouraging him/her to develop a strong sense of self as a Christian is at the core of our curriculum. Listed below are some of the activities available to enhance each child's intellectual, physical and spiritual growth.
