

Two Programing Methods in a Comprehensive Model

Gathered Programs focus on participation in organized, assembled programs for youth, families, parish community, or civic community (e.g., parish events, intergenerational programs, youth meetings, social events, trips, retreats)

Non- Gathered Program include programs that provide maximum flexibility in addressing specific needs of youth and/or families using a variety of Small Group and individualized approaches (e.g. home-based activities and resources, community service, spiritual direction, mentoring, independent learning, small group Bible Study)
