# St. B.'s ECC Program

**ECC Philosophy and Purpose:**  
St. Bernadette Early Childhood Connections believes in the value of each child and understands that children learn in many ways. We respect and support parents in the education of their young children by: (a) providing varied experiences under the leadership of experienced teachers, encouraging creative thought and creative play; (b) keeping in mind the importance of developing and reinforcing positive self-esteem and success; and (c) striving to provide a Christian environment of love and understanding for all students. We offer a safe and enjoyable setting filled with learning opportunities during a child's important growing years. ECC guides each child through the necessary building blocks of each level of development.

**Ages 1-year-old to 5-years-old**  
**Hours 9:00am-1:00pm**

During the year, we teach from a curriculum created using the Texas Education Agency Guidelines for each age group.

Our teachers are FBI fingerprint-based background checked, trained in CPR and First Aid, trained in best practices, and fun-loving and creative when preparing and teaching the children.
