

ST. BERNADETTE EARLY CHILDHOOD CONNECTIONS 2020-2021 REGISTRATION INFORMATION

ECC welcomes all children and strives to meet the needs of all children in our diverse community. Our positive Christian learning environment recognizes the uniqueness of each child as we work with parents to prepare their child for success.

In selecting the number of days of attendance for your child, a parent should consider his/her child's interest, readiness, social skills, and emotional development.

St. Bernadette Early Childhood Connections strives to place each child in the best learning environment. Our teaching staff is highly qualified and teacher requests are not accepted. Final placement of each child will be determined by direct observation of the child in the classroom by the teacher and director.

No child will be considered registered until the Registration and Supply fees have been paid and all registration forms have been completed. There are NO REFUNDS of registration and supply fees. See back of this page for class days, tuition and fees, and family discounts.

State of Texas Family and Protective Services REQUIRES that each child MUST submit an up-to-date immunization record AND a signed doctor's statement by the first day of school. These records MUST be submitted to the ECC office in August. NO child will be admitted on the first day of school without these records. Any additional boosters during the school year MUST be documented and recorded. A Student Health Record will be emailed to you with confirmation of registration.
