

# Dream On

by Warren W. Metzler

I've dreamed many dreams that never came true  
I've seen them vanish at dawn;  
But I've realized enough of my dreams, Thank God,  
To make me keep dreamin' on.

I prayed many prayers when no answer came,  
Though I waited patient and long;  
But answers have come to enough of my prayers  
To make me keep praying on.

*Refrain:* So dream your dreams you dreamers,  
And singers, sing your songs,  
Just sing and you'll discover,  
You want to keep singin' on.

I've trusted some friends who failed me it's true,  
And left me to weep alone  
But enough of my friends have been faithful and true  
To make me keep trustin' on.

I've sown many seeds that fell by the way  
For the birds to feed upon,  
But I've held enough golden sheaves in my hands  
To make me keep sowin' on.

*Refrain:* So dream your dreams...

I've drained the cup of disappointment and pain  
And gone many ways without song;  
But I've sipped enough nectar from the roses of life  
To make me want to live on.

I've walked the hard road of sorrow and pain  
And gone many ways, right and wrong,  
But I found enough joy on the highways of life  
To make me want to walk on.

*Refrain:* So dream your dreams you dreamers,  
And singers, sing your songs,  
Just sing and you'll discover,  
You want to keep singin' on.  
To make you want to sing on.
