Pastor's Note

Sixth Sunday in Ordinary Time

We Are Blessed!

This weekend we celebrate the Sixth Sunday in Ordinary Time. The readings focus on trusting in God and being grateful for the blessings in our life. In the First reading from Jeremiah we read how a prophet encourages the people to make right choices. This is a collection of wisdom sayings centered on the importance of trusting in God. In the Gospel of Luke we read the "Sermon on the Plain" which Jesus teaches the Beatitudes. (We will read the second part of this Gospel next Sunday.) The Beatitudes are the heart of Jesus' preaching and the core of the sermon is love.

Luke's version is a little bit different from Matthew's "Sermon on the Mount" because Matthew lists eight Beatitudes and writes for a Jewish audience while Luke lists just four focusing on the poor, the hungry, the weeping, and the hated, and writes for a Gentile community. This weekend we read how Jesus and a large crowd of Jews and non-Jews gather on a plain in Galilee to hear him speak. The main teaching Jesus wants to address in the Beatitudes is to trust in God who cares for those who suffer. There is much in our world today that can lead us astray from our commitment to Christ. Let us look at the blessings God gives us today and every day.

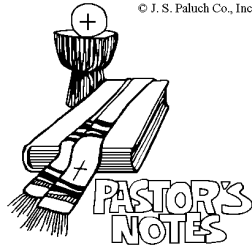

We Are Blessed!

On the Move

Last week I officially moved into the St. James Rectory! After eight months of having my personal items in the Guardian Storage Facility at the Waterfront in Homestead, commuting daily from my personal home in McKee's Rocks, dealing with plumbing and electrical issues, plus trying to raise the needed funds for renovations, I am moved in on the third floor of the St. James Rectory which has been vacant for three years. Work still continues on the second floor of the rectory upgrading two guest rooms.

Now all three of our Rectories in the Catholic Community of the East End have priests living on campus: Fr. Taylor and Fr. Cajetan continue to live at the St. Charles Lwanga -Holy Rosary Rectory, and Fr. James and Fr. Augustine live at the St. Bede Rectory. My office continues to be at the St. Bede Campus.

Eventually when we merge (hopefully in January 2020) we will have one main office which will be located at the St. Bede Campus. The second floor of St. Bede Rectory is in need of major repairs to make offices for the Music Department, Religious Education and for the Business Manager. A new roof and repairs to the laundry room, kitchen and basement also will need to be addressed in the future and we hope to eventually purchase a truck to be used by our Maintenance Department to travel to and from all three of our campuses.

Pre-Marriage Mentor Couples

Next Sunday, February 24 after the 11am Mass in church, there will be an information meeting for couples interested in helping with our Pre-Marriage Mentor Couple program. If you are interested in this ministry please contact Rich and Diane Nocito at 412-821-0587 or at richardnocito@comcast.net.

Something to Think About...

Luke's sermon on the plain, along with Saint Matthew's Sermon on the Mount, gives us a real snapshot into the priorities of Our Lord. While the Commandments give us clear mandates, these sermons show how to go about living for others. We can really live as Jesus would want us to. These are indeed real challenges. Not many of us look for happiness in poverty. Who among us would think of being hated as a blessing? Jesus, however, looks at life the way it really is. The important thing here is our attitude - we may not be able to change others but we can always change ourselves. During this year of change in the Catholic communities of the East End this becomes a priority for us. We serve best when we serve along with others. We learned that there are many different ways to achieve the same goals and we have to be open to this. The sermons that Luke and Matthew give us are the blueprint; how we use this blueprint is up to each of us. As we embark upon the Lenten season let us recall that it is never just about us, but about the ministry in service to our communities.

There is an activity and a take home bulletin to share with their families. The children begin Mass with their families then one of our leaders escorts the students to the Chapel after a blessing from the priest. The children rejoin their families for the Liturgy of the Eucharist. Parents are welcome to attend or send their children alone, depending on their abilities and preference.

We are in need of additional Children's Liturgy leaders and assistants. Please call St. James rectory at 412.241.1392 or email cceepgh@gmail.com if you are interested in learning more or helping out.

PRINCIPAL'S CORNER *from Sister Daniela Bronka*

Last Tuesday, Ms. Vogel hosted the first meeting of her Character Counts Club, open to students in grades Kindergarten through 2nd grade. Students created an "I am..." poster which included a large uppercase block letter I. The students were assigned a task to fill in the block letter with words to describe themselves. Once the students were finished, the entire group gathered onto the carpet to present their posters to their peers. They ended their club meeting by reading the book *When God Made You* by Matthew Paul Turner. The main focus of this meeting was confidence, uniqueness and accepting ourselves and each other.

This past Tuesday we had a school wide assembly Saltworks Theater Company presents *Fearsome Foursome*. This performance focused on important issues, from manners to bullying and internet safety. Our goal is to educate, challenge and inspire students to make healthy choices.

Next Friday, our faculty will participate in a two-part workshop called STEM Up Your Classroom provided by Carnegie Science Center.

On February 21st, students in grades 6-8 will go on a field trip to the Carnegie Science Center to participate in Engineer The Future. We are looking forward to this trip!

We are excited to start a new club beginning February 22nd. Mrs. Truxell will hold a STREAM and Literacy Club for students in grades K-1.

SERVICE PROJECT NEED

STBCA Middle School is sponsoring a service project to collect tabs from your favorite beverages. These will be donated to The Ronald McDonald House. This is an organization that supports the families of children who are seriously ill by providing extended lodging free of charge while their children are receiving treatment.

Tabs will be collected by homeroom teachers and collected by the Middle School Students. A container for them will also be conveniently located in the school's office. Feel free to ask your neighbors and extended family members to support our efforts. We will begin this with this with the first donation and continue through the rest of the school year.

In the words of Sr. Thea Bowman: **"I find that when I am involved in the business of life, when I'm working with people, particularly with children, I feel better. A kind of strength and energy comes with that."**

Continued Partnership with the Aviary

Representatives from the Aviary visited our second grade class again on Monday, February 4th to present on "Birds of the World". The second grade class is looking forward to their field trip to the Aviary in March and continued work with the Aviary in future months. We are so thankful to Extra Mile for creating this partnership for our students!

ON MISSION FOR THE CHURCH ALIVE! **DO TO OTHERS AS YOU WOULD HAVE THEM DO TO YOU**

This sentence taken from today's Gospel is usually referred to as the "Golden Rule." Calling this life maxim golden would suggest that

something about it is precious. In fact, it highlights that each and every human life is precious. If we didn't believe that all life is precious, why would it be expected that we would respect and honor others and we expect to be respected and honored ourselves. The dignity and respect that the Golden Rule sets forth applies to all human life as we work to love and support the unborn, the elderly and everyone in between. At the same time, the Golden Rule also applies to every relationship and encounter of our lives. While we all have those people in our lives that are harder to love than others, Jesus calls us to a higher way of living, sacrificing and even suffering in order to love another as we expect to be loved ourselves. *On Mission for The Church Alive!* invites us to live out the Golden Rule in the context of our parish groupings: to welcome as we would expect to be welcomed; to encourage as we would expect to be encouraged; to build up as we would expect to be built up. We are all precious to God and we should make the most of the opportunities we have to let each other know it. Visit **onmissionchurchalive.org** to learn more and to stay informed.
