NOVENA PRAYER FOR FAITHFUL CITIZENSHIP

Immaculate Heart of Mary,
help us to conquer the menace of evil,
which so easily takes root
in the hearts of the people of today,
and whose immeasurable effects
already weigh down upon our modern world
and seem to block the paths toward the future.

From famine and war, deliver us.
From nuclear war, from incalculable self-destruction,
from every kind of war, deliver us.
From sins against human life from
its beginning, deliver us.
From hatred and from the demeaning
of the dignity of the children of God, deliver us.
From every kind of injustice in the life of society, both
national and international, deliver us.
From readiness to trample
on the commandments of God, deliver us.
From attempts to stifle in human hearts
the very truth of God, deliver us.
From the loss of awareness
of good and evil, deliver us.
From sins against the Holy Spirit, deliver us.

Accept, O Mother of Christ,
this cry laden with the sufferings
of all individual human beings,
laden with the sufferings of whole societies.
Help us with the power of the Holy Spirit
conquer all sin: individual sin
and the "sin of the world,"
sin in all its manifestations.
Let there be revealed once more
in the history of the world
the infinite saving power of the redemption:
the power of merciful love.
May it put a stop to evil.
May it transform consciences.
May your Immaculate Heart
reveal for all the light of hope.

Amen.
