Oct. 2019

We have officially moved to our new location at the Holy Redeemer School on the first floor. Please come and visit us. We are here Tues, Weds & Thurs. 9 to 4. We love visitors.

A great "big thanks" to all of our volunteers along with Hank, Guy and our maintenance guys; Chris, Dave, Vinnie & Brandon who gave of their time to help us move and organize. We would be lost without you and we are truly "blessed" to have them.

Hard to believe we are fast approaching the holidays. We are now having families sign up for our "Shining Stars" Christmas program. The stars will soon be hanging on the trees in the back of the church before Thanksgiving.

Our energy programs have started to help with utility bills. Give us a call to see if you qualify to receive a grant.

Always In His Name.
