Dear Faith Formation Families,

We miss seeing your smiling faces each week! In spite of the constant changes we are facing, we know more than ever, that our faith is what carries us through, day in and day out. Our faith makes a big difference in how we handle these moments of uncertainty. We want your family's faith to continue to grow. When your child's faith is growing, they are being formed and transformed in the spirit of God. This leads them to live out the Gospel as part of a believing community.

We have been diligently working to provide a strong faith formation program for you and your family. We are planning to provide a few options to ensure a safe and healthy environment; please keep in mind that our options may change as we comply with changing health guidelines and requirements.

The curriculum we have chosen is a blended program that has a focus on family catechesis versus individual topics and lessons per grade. The curriculum for Grades K – 6 that we will be using is called Christ In Us by Sadlier. Sadlier is aware that families don't have the time to sit with each child individually, so they created a program for the family that reaches each child's age of their development. The 7<sup>th</sup>-8<sup>th</sup> grades will continue to use their Confirmation focused program Chosen from Ascension Press, which has been very successful.

Parents, more than ever your role as primary educator in the faith is vital in the carrying on of the faith to your children. To do this, you will need to make time each week to spend an hour on faith. We will assist you with your mission of passing on the faith. The new blended online program is much different than our previous online programs, and we anticipate it being more fruitful to you and your family. To further assist you, I have provided Mass and Reconciliation schedules. The Mass is the "source and summit" of our faith. Please make every effort weekly to participate at home in the Mass with your family. Visit [www.stgregzelie.org](http://www.stgregzelie.org) for sign-up instructions to attend Mass with your family at our church.

In Christ,

Mrs. Audra Brown, Director of Faith Formation

## **PRAYER FOR MY FAMILY**

O God, shower your blessings on this family  
gathered here in your name.

Enable those who are joined by one

Love to support one another

By their fervor of spirit and devotion to prayer.

Make them responsive to the needs  
of others and witnesses to the faith

In all they say and do.

**AMEN**
