Mission Statement

The Ladies Sodality of Saint John Vianney is a group of women dedicated to supporting the parish community by offering spiritual and social events that will help our women and the parish community to grow spiritually and socially.

The Ladies' Sodality of St. John Vianney

Throughout the year, the Ladies' Sodality organizes a variety of social projects, activities and events. Our events foster Christian fellowship with some events helping our parish community and the less fortunate. One hundred percent of any funds raised go toward the needs of the parish.

The Ladies Sodality meets a few times a year to organize, plan and discuss social projects, activities, and events. We value your input and hope you will consider joining us in our meetings and planning sessions. Meetings may include a short business segment. You need not attend the meetings to be involved in any of our social projects, activities, or events, but we hope you will consider actively participating in all we do. We are only successful if you volunteer your time and talent for our social projects and you participate in our activities and events.

Participation

The Ladies' Sodality of St. John Vianney welcomes all women of the parish, from college age and up, to participate with our group.

We are open to reviewing any ideas or suggestions you would like to share. We are here to support each other, network with other women sharing our faith, and we like to have fun!

Please consider sharing your special talents and time with the Ladies' Sodality of St. John Vianney.
