<p>7 CFR Sec. 210.31</p> <p>42 U.S.C. Sec. 1758b 7 CFR Sec. 210.31</p> <p>4. Guidelines</p> <p>7 CFR Sec. 210.15, 210.31</p>	<p>2. The extent to which this policy compares to model wellness policies.</p> <p>3. A description of the progress made by the district in attaining the goals of this policy.</p> <p>At least once every three (3) years, the district shall update or modify this policy as needed, based on the results of the most recent triennial assessment and/or as district and community needs and priorities change; wellness goals are met; new health science, information and technologies emerge; and new federal or state guidance or standards are issued.</p> <p>The district shall annually inform and update the public, including parents/guardians, students and others in the community, about the contents, updates and implementation of this policy via the district website, student handbooks, newsletters, posted notices and/or other efficient communication methods. This annual notification shall include information on how to access the School Wellness policy; information about the most recent triennial assessment; information on how to participate in the development, implementation and periodic review and update of the School Wellness policy; and a means of contacting Wellness Committee leadership.</p> <p><u>Recordkeeping</u></p> <p>The district shall retain records documenting compliance with the requirements of the School Wellness policy, which shall include:</p> <ol style="list-style-type: none"> <li>1. The written School Wellness policy.</li> <li>2. Documentation demonstrating that the district has informed the public, on an annual basis, about the contents of the School Wellness policy and any updates to the policy.</li> <li>3. Documentation of efforts to review and update the School Wellness policy, including who is involved in the review and methods used by the district to inform the public of their ability to participate in the review.</li> <li>4. Documentation demonstrating the most recent assessment on the implementation of the School Wellness policy and notification of the assessment results to the public.</li> </ol>
--	---

<p>42 U.S.C. Sec. 1758b</p>	<p><u>Wellness Committee</u></p> <p>The district shall establish a Wellness Committee comprised of, but not necessarily limited to, at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, school health professional, physical education teacher and member of the public. It shall be the goal that committee membership will include representatives from each school building and reflect the diversity of the community.</p> <p>The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing, implementing and periodically reviewing and updating a School Wellness policy that complies with law to recommend to the Board for adoption.</p>
<p>7 CFR Sec. 210.31</p>	<p>The Wellness Committee shall review and consider evidence-based strategies and techniques in establishing goals for nutrition education and promotion, physical activity and other school based activities that promote student wellness as part of the policy development and revision process.</p>
<p>SC 1422</p>	<p>Individuals who conduct student medical and dental examinations shall submit to the Advisory Health Council annual reports and later reports on the remedial work accomplished during the year, as required by law.</p>
<p>SC 1513 Pol. 102, 105</p>	<p><u>Nutrition Education</u></p> <p>Nutrition education will be provided within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.</p> <p>Nutrition education in the district shall teach, model, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.</p> <p>Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.</p>

<p>Pol. 808</p>	<p>Nutrition education lessons and activities shall be age-appropriate.</p> <p>Nutrition education may be integrated into other subjects such as math, science, language arts and social sciences to complement but not replace academic standards based on nutrition education.</p> <p>Lifelong lifestyle balance shall be reinforced by linking nutrition education and physical activity.</p> <p>Nutrition education may extend beyond the school environment by engaging and involving families and the community.</p> <p><u>Nutrition Promotion</u></p> <p>Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.</p> <p>District staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.</p> <p>Consistent nutrition messages may be disseminated and displayed throughout the district, schools, classrooms, cafeterias, homes, community and media.</p> <p>Consistent nutrition messages shall be demonstrated by avoiding use of unhealthy food items in classroom lesson plans and school staff avoiding eating less healthy food items in front of students.</p> <p>District schools may offer resources about health and nutrition to encourage parents/guardians to provide healthy meals for their children.</p>
-----------------	---

Physical Activity

District schools shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students.

District schools shall contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity daily, as recommended by the Centers for Disease Control and Prevention. Opportunities offered at school will augment physical activity outside the school environment, such as outdoor play at home, sports, etc.

Students shall participate daily in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness and performance benefits.

Age-appropriate physical activity opportunities, such as outdoor and indoor recess, before and after school programs, during lunch, clubs, intramurals and interscholastic athletics, shall be provided to meet the needs and interests of all students, in addition to planned physical education.

A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

Extended periods of student inactivity, two (2) hours or more, shall be discouraged.

Before and/or after-school programs shall provide developmentally appropriate physical activity for participating children.

<p>SC 1512.1 Pol. 102, 105</p>	<p><u>Physical Education</u></p> <p>A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All district students must participate in physical education.</p> <p>Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.</p> <p>Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.</p> <p>A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.</p> <p>A varied and comprehensive curriculum that promotes both team and individual activities and leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.</p> <p>Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.</p> <p>Students shall be moderately to vigorously active as much time as possible during a physical education class. Documented medical conditions and disabilities shall be accommodated during class.</p> <p>Safe and adequate equipment, facilities and resources shall be provided for physical education courses.</p> <p>Physical education classes shall have a teacher-student ratio comparable to those of other courses for safe and effective instruction.</p>
