Even though all Masses are cancelled, St. Paul's Parish's doors will remain open. **The church will be open every day from 9:00am – 4:00pm** for anyone wishing to come into the church and pray. We encourage everyone to stay strong in prayer through this global pandemic.

Religious Education News... As you are aware, due to COVID-19 we will not be having catechism classes for the foreseeable future. All of us on the St. Paul's catechism team are keeping you in our thoughts and prayers during this unprecedented time. As parents ourselves we understand the difficulties many of you are facing with changes to your work, financial stresses, and the home schooling of your children.

That being said, this is a time when all of us need God and our faith more than ever. So, in order to try and support your family through this time, we will be posting some resources and activities in your Facebook Groups over the next few weeks that you may use to help your family grow in faith during this time of trial.

As followers of Christ we are a people of hope. It is our hope that these resources can help you to encounter Christ in a time when we cannot gather as a community or receive Him in the Eucharist. All of the suggestions we will be making here are optional; whether you do them or not is completely up to you. If you have any questions regarding your child's faith formation, or are interested in more information or resources on how you can help guide them in catechesis at home, please feel free to contact Jessica Cormier at education@stpaulsparish.ca

May God bless you all, and may we all remember that "All things work for good for those who love God, who are called according to His purpose." (Rom 8:28)

Catechism Way of the Cross... As we are unable to gather in person, we have made a short video of the stations of the cross performed by catechism students set to music for you to enjoy at home. This is available on St. Paul's Facebook page www.facebook.com/stpaulspei.
