*Thick darkness has gathered over our squares, our streets & our cities; it has taken over our lives, filling everything with a deafening silence & a distressing void that stops everything as it passes by, We feel it in the air, we notice it in people's gestures; their glances give them away. We find ourselves afraid & lost, like the disciples in the Gospel we were caught off guard by an unexpected, turbulent storm. But you, Lord, will not leave us at the mercy of the storm.
It is not the time of your judgment, but of our judgment: a time to choose what matters and what passes away, a time to separate what is necessary from what is not.
It is a time to get our lives back on track with regard to you, Lord, and to others.
Entrust all of you to the Lord,
through the intercession of Mary, health of the people, and star of the stormy sea. - Pope Francis*

Religious Education News... With the announcement that all school classes are cancelled until at least May 11th, it is now clear that the remainder of the material left to cover in our catechism classes must be completed in another manner as we will not be able to gather together physically before catechism classes finish on May 3rd.

In cooperation with RCL Benzinger, we are pleased to offer you online access to all the Be My Disciples Content for grades 1-7 via their Flourish Online Catechism site. This access includes your child's textbook in ebook form (in case it has been misplaced or left at the Parish), as well as games, prayer cards, virtual church tours, chapter review quizzes and much more.

It is our hope that, through this resource, your child can access all the content that they would have received in class time, therefore eliminating the need for make-up classes once COVID-19 restrictions are lifted.

As always, the degree to which you chose to participate (or have your child participate) in our catechism program is completely up to you. These resources are meant to make your life easier, not add stress or anxiety. Please feel free to use them or not as you see fit.

Teachers will be posting in Facebook groups to let you know what chapters they have not covered in class, and may suggest some resources from the Flourish site that may be helpful for you.

If you are interested in utilizing this online resource, please contact our catechism coordinator Jessica Cormier, either by email at education@stpaulsparish.ca or by phone at 902-724-3646 and she will provide you with a username, password and PIN for this site.
