

June 2021 – VOLUME 1 – ISSUE 2

## "LEGACY CAMPAIGN" – PHASE 1

Further to our April Issue of our Newsletter we are now in a better position to provide our Parishioners specifics of our Phase 1 plan for St. Pauls' Church.

The most pressing need for our church (as identified by the Property and Finance Committee) is the re-shingling of our outside roof. This upgrade needs to be accomplished within the next year as the present shingles are showing their age and need to be replaced before they create more problems.

We all understand that pricing for renovation projects these days are getting more expensive, and estimates given one day may change soon after. The Property and Finance Committee's best efforts to establish a budget for the re-shingling of the church has been determined to reasonably be in the area of **\$150,000.00**.

For clarity, any contributions to the "Legacy Fund" received from this point forward (including all contributions received to date) will be targeted to this **Phase 1** project until the project costs are fully covered.

## HOW DO I CONTRIBUTE?

The "Legacy Fund" Committee has discussed how to make it easiest for anyone to contribute to the Fund. There are a number of ways that donations can be made as follows:

- Envelopes printed specifically for the "Legacy Fund" can soon be found at all three entrances of St. Pauls' at any time. Once you place a donation in the envelope just drop it in the regular collection boxes in the church or give it to Jackie in the Parish office.

- E-transfer can be made to the "Legacy Fund". If you are interested in this method, please contact Jackie at the Parish Office to set this up.
- Personal cheques are also an option to donate and these can be dropped into the donation box at the church, dropped off to Jackie at the Parish Office or mailed by Canada Post to the Parish Office. Please make any cheque payable to the **St. Pauls' Legacy Fund**.
- Bequests on behalf of a loved one who has passed away, or as part of your own Estate planning, may be something individuals might consider as a memorial donation to the "Legacy Fund".

## FUTURE "LEGACY FUND" PHASES

Once the outside roof repairs are completed there are a number of other priority projects that St. Pauls' needs to address in the years ahead. The following are the list of immediate priorities recommended by the Property and Finance Committee in the following order:

- Phase 2 – Storm drain and gutter upgrade
- Phase 3 – Interior ceiling insulation/upgrade
- Phase 4 – Update heating controls
- Phase 5 – Upgrade parish centre windows

**Please also keep an eye out for future fundraising events for the "Legacy Fund" and thank you in advance for any help you can provide.**

God Bless
