CLASSES ARE FILLING FAST!

Everyone who registered by June 14th got their first choice of class session. Thanks so much for meeting the deadline!

For those who have not done so yet, please access the online registration form at www.stpaulkensington.org. At this point, we can't guarantee that you will get your first choice of sessions.

You'll notice more flexibility next year in the number of grades offered each session (see chart below). However, the multiple grade levels place limitations on the number of classrooms available. Therefore, when some classes fill up, we may not be able to add another to that time slot.

Remember: the Religious Ed office is closed in July. We encourage you to register ASAP so we can assist you if necessary.

K G S BRICKS

Manafort Brothers have scheduled the demolition of the KGS building for the week of June 23rd. We have received several requests about the possibility of securing a brick from the building. Our intention is to pile a number of bricks on the site, and once the site is safe for entry, bricks will be available for pick-up, day(s) and time(s) to be determined. A maximum of three (3) bricks per family will be offered. Pick-up dates will be announced on our website, and during the weekend Masses. We will also announce it in the bulletin if time allows. These times will be the only opportunity to secure a brick(s). Church personnel will be on site to assist.

Those interested in a brick are required to fill out the KGS Brick Reservation Form below, BEFORE pick-up. Bricks are a first-come, first-served basis.
