

Sometime this coming week, we expect Manafort Brothers to begin taking down the KGS building. We have received several requests about the possibility of securing a brick from the building. Our intention is to pile a number of bricks on the site, and once the site is safe for entry, bricks will be available for pick-up, day(s) and time(s) to be determined. A maximum of three (3) bricks per family will be offered. **Pick-up dates will be announced on our website, and during the weekend Masses. We will also announce it in the bulletin if time allows.** These times will be the only opportunity to secure a brick(s). Church personnel will be on site to assist.

Those interested in a brick are required to fill out the KGS Brick Reservation Form below, **BEFORE** pick-up.

Bricks are offered on a first-come, first-served basis

KGS BRICK RESERVATION FORM

Parishioners Name: _____

Address: _____
