

St. Paul Catholic Church
485 Alling Street - Kensington, Connecticut 06037

"Faith in the Future"

Capital Campaign

An Integrated Parish Campus

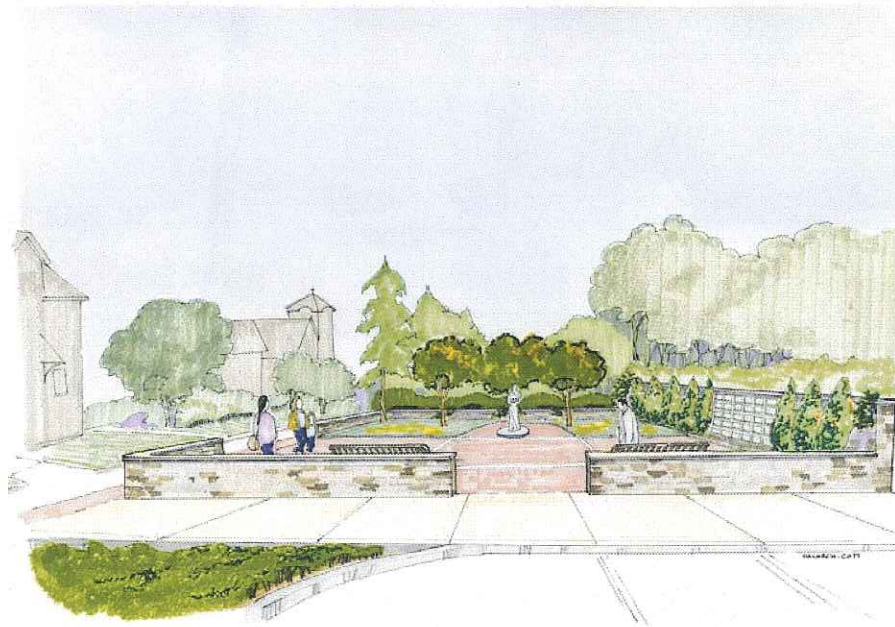

- A safe parking facility to support our growing parish.
- Memorial opportunities will be available to honor your loved ones and commemorate your family name to not only our own generation but for future generations to come.
- Provide those who follow us with the opportunity to expand and enhance our facilities and service; building God's Kingdom here at St. Paul Church.

"Faith in the Future"

An area for our children to come together for school and religious education activities and a campus green with pavilion to support parish picnics and outdoor gatherings.

A beautiful area for prayer to include: Stations of the Cross, benches, statues and flooring made of brick.
