October 8, 2018

Dear Parents and Guardians,

It was brought to my attention this morning that on Friday afternoon, October 5, 2018, there was an attempted luring of one of our students as she exited the school bus.

A silver four door vehicle driven by a man in a black mask, slowed down as the student walked home. The car kept pace with the student and the driver asked the student to come into the car. This took place in the 1900 block of Sanger Street. The student ran home and was helped by a neighbor. At this point the man drove away from the area.

This incident was reported to the 15<sup>th</sup> police district and also to the Special Victims Unit, where the police continue their investigation.

There are many resources available to help our children be more aware of their personal safety. The teachers will reinforce safety rules with the students. Please do the same at home. The safety of all of our students at home and at school is important.

Sincerely,

Ms. Milewski  
Principal
