This popular Wreath is as traditional as Christmas itself. Decorated as pictured, the large white tipped/glimmered cones lined with red jingle bells are the perfect complement to the gold backed, red velvet bow.

The exquisite Victorian Wreath is meticulously decorated as pictured. The generous bow features 6 loops with a “butter” and long tails backed by 3 of the 2 cones backed with gold jingle bells. The 2 sets of complimenting bulbs add to the Seasonal look of this most popular Wreath.

This elegant Wreath features a beautiful, 6” wide, wired fabric bow with tails backed with gold spray. The 3 jingle bell backed pine cones are backed with faux cranberry picks/glimmered juniper branches which add to the stylish look of this impressive Wreath.

The soft green, wired bow featured on this uniquely designed Wreath creates a wonderful contrast with the forest green Jumbo Pine boughs which is backed with a green, glimmered blue juniper spray. The green bells are backed off the stellar artistic look of this wonderful Wreath design.
