September 11, 2019

Dear Blessed Trinity Families,

We are already into the second week of school. The school year began without any major issues. Thank you to all the parents and guardians who helped us make the smooth transition from the relaxing pace of summer into the busy and new school year. Your cooperation is greatly appreciated.

**Morning Drop Off**

There has been some improvement in the morning drop off. Please NO ONE is permitted to park in the driveway of the homes on Helleman Street. Neighbors need to get to work. No cars can come in or out if you are parked in the driveway, and NO DOUBLE PARKING on Hawthorne Street. Please use the car loop. Enter the car loop from Battersby Street to drop off your children. This is the safest and most efficient way to drop your children off at school. Remember that the car loop opens at 7:30 AM and closes promptly at 7:45 AM. If you drive your child to school, I encourage you to use the car loop.

**Smart Watches**

Students are not permitted to wear Apple Watches to school. Please leave this expensive item at home. If a student is wearing one, they will be asked to hand it in when the cell phones are collected.

**Dress Code**

I am reminding all of our families that we do have a dress code. Shoes must be worn. Sneakers are for gym class only. All shirts need to be tucked in. This is our school policy. Last week an Option C message went out to all school families requesting that there were students who were in need of haircuts. The boys hair should not reach their collar nor should it cover their ears. There are still boys that are in desperate need of haircuts. Please see to it that your child has a neat haircut becoming of a Catholic School student.

**Raffle Chance Drive**

Our mandatory yearly raffle which benefits Blessed Trinity will begin shortly. All families will receive their raffles. These will be given to the eldest or only child in the family who attends Blessed Trinity. The company that prints our tickets was affected by Hurricane Dorian and their work is backlogged. Sorry for the delay.
**Concerns or Issues**

If a parent/guardian is having an issue with a teacher or a concern, please contact the teacher directly. The teacher will return your email or phone call in a timely manner—within 24 hours.

Parents/guardians and teachers are a team. We need to have mutual respect toward one another. Please handle your concerns, complaints, issues that you may have with a teacher with courtesy. Treat others the way you expect to be treated.

If you do not get a response to a phone call, email or note, within 24 hours, please call me. There is a chain of command as far as voicing your concerns. Please contact the teacher first. Once the teacher has responded, and you are not satisfied with the outcome, then by all means contact me.

One last bit of advice, when you are using social media or email, please be courteous. Sometimes, it is best to wait a few hours before you sit down to post something or to send an email. Give yourself some time to compose your thoughts, so when you do voice your concerns it is done in a calm manner. We are all here for the same reason—OUR CHILDREN.

Thanks for sharing your beautiful children with us. God bless you.

Ms. Milewski

Citywide Application Launch
The Home and School Association is a great way to get involved in the school. We have a great time planning and running events for our kids! Are you interested in joining us or learning more about helping out? Even if you are able to help on some events or for a couple hours here and there, we welcome the support.

If this is something you may be interested in, we will be having an open meeting on

September 24, 2019

at 7:00pm in the School Gym

If you are unable to make the meeting but would still like information on joining please email us at:
