Corona-virus Update

The teachers are working very hard to keep up with the cleaning of the hard surfaces in the classrooms. Some of the classes have watched a video on “hand washing” and “the proper way to cover a sneeze or a cough.”

As of today, no one—faculty, staff or students will be permitted to use the water fountains. This is being done to cut down on the spread of germs. If your child needs to drink water during the school day, please send in bottled water.

If your child attends CARES and needs to drink water, please send in bottled water. We will not be using the any of the water fountains until further notice. I appreciate all of your cooperation.

Final Trimester

The third and final trimester for this school year will begin on March 16th. Report Cards for the second trimester will be available online on March 20th at 5:00 PM. Report cards will NOT be printed.

All tuition and fees must be up-to-date in order for you to view your child’s report card. If you do owe any tuition or fees, please contact Sr. Mary Elizabeth in the Tuition Office.
