

Summer Is Here!

Happy summer everyone. Summer vacation is finally here and your student will be beginning a new adventure in the fall. Students will be assigned a Reading and Math packet for over the summer to continue working on their skills while they are not in school. Each packet will be a review of what they have learned in 2nd grade and the skills they will need to complete the work in 3rd grade. Packets will be due on the first day of school.

There is a not a required book for this summer. Your student may choose their own chapter book and complete the questions. Happy learning and we hope you have a great Summer!

Sincerely,

Your 3rd Grade Teachers
