Lent

Today begins the Lenten season, the forty days leading up to Easter. The teachers have been talking to the students about prayer, sacrifice and doing good deeds. Due to Covid 19 we were not able to attend Mass together and the children did not receive ashes as they usually do on Ash Wednesday.

In class, the teachers have focused on doing positive things, such as taking out the trash, making your bed, walking your dog, all without being asked to do so. They have also discussed the importance of prayer in all our lives. During the next 40 days we are encouraging our students to be better people.

There are various activities that the teachers have scheduled to share with their students during Lent. The students will be able to watch the Stations of the Cross that will be live streamed each Thursday during Lent. No matter what each individual chooses to do for Lent, it should be a time of growth and self-improvement.

Terra Nova

Terra Nova testing will take place for all students in grades 3 to 7 on March 8th. Students who are virtual will be assigned days to come to school to take the Terra Nova. All precautions will be taken to ensure that all students will be safe. The virtual students will take them in the gym and will be seated at tables. All students will be socially distanced and wearing masks. The virtual students will not be in the classrooms.

If you do not want your child to take the Terra Nova, please send an email or note to my attention as soon as possible. Please know that the seventh grade scores are used by the high schools to determine what classes students should take. The test scores of the students in grades 3 to 6 are used to determine which students need to be assigned to receive remediation in math and/or reading.

Second Trimester

Grades for the second trimester will close on Wednesday, March 10th with report cards being issued on Friday, March 19th. All tuition must be up to date by March 19th in order for you to get into Option C to view your child’s report card.

Re-registration

Re-registration for the 2021-2022 school year is on-going. There are some grades that have almost reached capacity. If you intend on sending your child back to Blessed Trinity for the next school year, please register soon. We do not hold spots
for students. Once a grade reaches capacity a waitlist will be started.

Thank you,

Ms. Milewski
