**Terra Nova Testing**

Terra Nova testing is now over and tests have been mailed out to Data Recognition for scoring. The results should be returned to us in about 4 to 6 weeks.

**Return from Hybrid Learning**

Twenty-six students have returned from virtual learning to in person learning. It was pleasant to see more students in the building. The teachers are preparing for the after Easter return of students to 5 full days of in person learning.

**A reminder**—if your child is returning to in person learning, there is a dress code. Part of this dress code is hair styles. The boys' hair needs to be above their eyebrows and not touching their collar. If this applies to your child, please make sure that they have their hair cut.

**Report Cards**

The 2<sup>nd</sup> trimester report cards were available last Friday evening at 5 PM. The students are now in the 3<sup>rd</sup> and final trimester of this school year.
