

Grade 2 Summer Assignment Letter for the Summer of 2020

Dear Students of Grade 2,

I know that you have had a very busy last three months keeping up with remote learning. I am sure that you have learned very much!

You are going into 2nd Grade soon, and I want to help you remember all the wonderful things you learned from Ms. Wilcox.

Therefore, I am giving you a little Summer Assignment to do. I know that I will not be your teacher next year, but whoever she or he is, your teacher will be delighted to know that you did some work over the summer to help keep you ready for Grade 2.

For your Summer Assignment, I am asking you to please work on *Edgenuity* for 20 minutes on weekdays in ELA/Reading and 20 minutes on weekdays for Math also, from July 6th to August 14th. That is all!!

Please give your new teacher your completed **Summer Assignment Log** on the first day of school.

(See below.)

When you are on the *Edgenuity* website, remember to always start on the leftmost topic icon after you are signed in and in your ELA or Math subject area. Always leave your work by clicking on “exit activity”. After that, you may use the x in the upper right hand corner of your *Edgenuity* screen to leave that website completely. I know that Ms. Wilcox told you this many times. It is still true!

Enjoy your learning and have a wonderful and relaxing summer. You deserve it.

Grade Two is the best year of all!

I will miss not having you as my students, but I will keep you in my prayers.

God bless you,

Sr. Rita Marie, ASCJ
