

## Summer Work

Dear Parents,

Happy Summer! Welcome to 4<sup>th</sup> Grade! Below you will find a reading list. Make sure to complete the posted Grade 4 Math Packet document, as well!

1. **Reading List:** There are two mandatory books for your child to read. One is from the, “Who is/Who was” series. The other novel they will read is, *Shiloh* by Phyllis Reynolds Naylor.
2. **Reading Log:** Every time your child **finishes** a book they should record it on the log! It is so important that your child is reading **at least** 20-30 minutes every other day!
3. **Summer Journal:** Complete 1-2 a week, it may be beneficial to have a small notebook for your child to write in! They need to select one of the writing prompts from the list provided! They need to complete a different writing prompt each time! Please encourage your child to, “stretch” their writing!
4. **Summer Math Packet:** Complete 2-3 pages per week.

Have a wonderful summer!

### Summer Reading for Incoming 4<sup>th</sup> Graders

Mandatory: These two books must be read this summer.
