Dear Parents,

This year's PACER-A-THON will be outside with an automated lap counter to record each child's lap around the course. We will also be taking the PACER-A-THON outside this year to run around the school grounds so the laps will be less (but the same distance as previous years). Please see the PACER-A-THON flyer with detailed information.

New this year will be an online pledging platform through <https://app.99pledges.com/fund/sspppacers21>. We hope we can count on each family to solicit sponsors. Thank you.

Parent Volunteer help will be solicited through Sign-up-Genius.

I AM ABLE TO PROVIDE:

Sliced Oranges Bananas Bottled water

Weather permitting the PACER-A-THON is scheduled for May 4th with a rain date of May 11th. The event will move inside on May 11th if weather is not suitable for running. You are invited to watch and cheer on our students.

Questions can be directed to sspptg@ssppbeaver.com

Thank you,

PACER-A-THON Committee
