Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation—if indeed you have tasted that the Lord is good. 1 Peter 2:2–3

Babies are fed milk because they cannot tolerate anything else. Maybe our spiritual lives should be viewed in the same way. Maybe what we need is the pure spiritual milk because we cannot tolerate other things – at least without damaging our souls. Yes, secular entertainment and the like is good and can be wholesome. But much of it clashes with our values and our teachings. What to do about it? We will not be able to fight the world but we are able to control ourselves. Be aware of what you are consuming and how it affects your outlook on life and the world.
