I have stored up your word in my heart,
that I might not sin against you. Psalm 119:11

The best way to learn about how to avoid sin is to study the Word of God. The Sacred Scriptures provide insight into how we should live and how we should not. The eternal truths contained in Scripture do not change. The world may change around them but certain things are wrong and there is no escaping that. Take the time to look at Scripture and seek out what God is asking of you, both in your conduct and in your life. That is how you can store up God's word in your heart.
