What then shall we say to these things? If God is for us, who can be against us?
Romans 8:31

People will challenge us about our beliefs. They will even belittle us for what we profess. But we cannot waver in our faith. The pride of humans will cause them to deny the existence of God and their need for His providence. But it takes far more faith to believe that there is no God when you examine the evidence. The parameters of life are so narrow that only an Intelligent Designer could achieve that. To assume that it occurred randomly...well, you know what they say about assuming. God is real. Even if the entire world would deny that, the fact remains.
