By the word of the LORD the heavens were made,
and by the breath of his mouth all their host. Psalm 33:6

God created by His command. If He can do that, He can do anything. So when you wonder if God can help you when you are in a bad situation, the answer is yes. The more proper question is whether you have enough faith to believe that God can and will help. No matter how dire the situation, God walks with you. Maybe you cannot see (or maybe better, sense) Him but that does not mean He is not present. Many great saints experienced times of spiritual dryness where they could not discern God in their lives. Yet they persevered. So must we.
