

Deacon's Beacons

April 15, 2019

And your ears shall hear a word behind you, saying, "This is the way, walk in it," when you turn to the right or when you turn to the left. Isaiah 30:21

That is what we call conscience. It is the voice of God that speaks to us from the depths of our souls. It really represents the Natural Law, the way things are supposed to be. But with all the noise in the world, with all the concern about offending someone, we have all but quashed that voice. We need to take time away from the world and listen with the ears of faith to what God is telling us. Then we need to be brave enough to stand up and proclaim it.

Go raibh síocháin Chríost a bheith in éineacht leat.
