I am the Alpha and the Omega,” says the Lord God, “who is and who was and who is to come, the Almighty.” Revelation 1:8

The proclamation of eternity. The Alpha and the Omega. He is before all else that is and He will be after all else passes away. But what that means is that God is outside of time. Eternity is not endless time because, to enter into eternity, one must pass from time. It is a complex subject, much more difficult than most anything else in our faith. But the nature of God is transcendent and not something that we, as humans, are truly able to comprehend. That is why the love of God took human form as Jesus Christ, so we can begin to grasp it all.
