

Deacon's Beacons

My son, do not forget my teaching,
but let your heart keep my commandments,
for length of days and years of life
and peace they will add to you. Proverbs 3:1-2

Following God's commandments may not add days and years to your life but those you have will be far more peaceful. When you realize that you are not in control and allow God to lead you and care for you, you will find that life is easier. That does not mean that there will not be difficulties or hard times. It means that you will be far better equipped to handle those times and navigate through the troubled waters of life.
