

## Deacon's Beacons

June 14, 2019

For whatever was written in former days was written for our instruction, that through endurance and through the encouragement of the Scriptures we might have hope.  
Romans 15:4

Remember that when these words were written, the Scriptures referred only to what we call the Old Testament. Some seem to want to discount the Old Testament because the New Testament tells of our salvation. But in truth the Old Testament tells the same story through a different lens. If we ignore what God said to His people before the coming of Jesus, how can we really understand the relationship between God and His people that is fulfilled in Jesus? Study the Word of God in its entirety.

Go raibh síocháin Chríost a bheith in éineacht leat.
