"I tell you, on the day of judgment people will give account for every careless word they speak, for by your words you will be justified, and by your words you will be condemned." Matthew 12:36-37

Words can hurt. We can use words as weapons to strike out. Some people say that it is only words. But we are responsible for every word that we speak. The gift of speech is a gift from God and must be used in the manner that God intended it. It is to speak the truth and to build up others. Any other use, whether it is lying or gossip or insulting another is wrong, disordered and sinful. Be careful what you say.
