For
"Whoever desires to love life
and see good days,
let him keep his tongue from evil
and his lips from speaking deceit;
let him turn away from evil and do good;
let him seek peace and pursue it." 1 Peter 3:10-11

The bottom line here is that the way to enjoy life is to seek peace. Seeking anything else, like money or fame or love, will only tend to add stress to your life. But seeking peace is more about learning to control yourself than it is about controlling the environment around you. In speaking only the good and true, you begin to walk that path of peace.
