

Deacon's Beacons

January 16, 2020

And we desire each one of you to show the same earnestness to have the full assurance of hope until the end, so that you may not be sluggish, but imitators of those who through faith and patience inherit the promises. Hebrews 6:11–12

This is not a sprint. Life is a marathon and you have to be in it for the long haul. That means that you have to be committed to your faith, day in and day out, every day, all day. But we do that with that sure and certain faith that God has made promises that He will keep. Yes, there will be times when your faith will be stronger than others And there may be times of doubt and uncertainty. That is because we are all human. And questioning is how we learn and grow.
