And they said, "Believe in the Lord Jesus, and you will be saved, you and your household." Acts 16:31

Yes, we are saved by our faith in Jesus Christ. But our faith propels us to change our behaviors. Our belief must be put into action by conversion from sin and compassion towards others. If we do not do that, what good is our faith? We are in this together so we must be active in our belief and missionary in our attitude. Maybe you are not comfortable talking to others about your faith and about Jesus. But you can model the behaviors that cause others to ask what you have that they want. Belief is not a once and done situation. You must believe and continue to believe and live your belief.
