“The LORD will fight for you, and you have only to be silent.” Exodus 14:14

Why do we feel that we have to solve every problem ourselves? We have the promise that God will fight for us and He will take care of us. All we have to do is to let Him. Part of that is being silent. That can be very difficult. We think we have to say something. We think that not speaking is not to react or respond. Sometime we need to be silent so that God can speak to us.

Go raibh síocháin Chríost a bheith in éineacht leat.
